

SpringBoard® Virtual Professional Learning Workshop

Purposeful Planning for Various Settings

In this virtual workshop, participants meet with a SpringBoard National Faculty member over the course of two classes. They will practice how to engage students with critical content using SpringBoard Digital and plan SpringBoard lessons for their current instructional setting -- distance, hybrid, or in-person learning.

Virtual Class 1: Engaging Learners 2.5 hours	Virtual Class 2: Prioritizing & Planning Lessons 2.5 hours
In class one, participants will: <ul style="list-style-type: none"> engage in interactive modeling of a SpringBoard lesson examine how SpringBoard Digital functionality is a vehicle for content and engagement 	In class two, participants: <ul style="list-style-type: none"> practice with features of SpringBoard Digital eBook, assessments, and partner resources (Desmos/Zinc) plan student-centered lessons that support your ability to pivot for various instructional settings
